### Glyntaff Crematorium

At Obitus, we strive to take your feedback on board and continue to innovate our products. In response to feedback over the past year, we've made some changes to our media services for 2023.

Whilst adding new products, we have also simplified our existing range to make those important conversations with families much easier.

To introduce the full set of new products at a manageable pace, we're staggering their release onto the website from 1st April 2023.

### Headline changes

#### Available from 1st April 2023:

- Two new Keepsakes; the Video Book and the Memory Box, with a fresh premium look and feel across the full range.
- Pro Tribute becomes Music Tribute with improved transitions.

#### Coming soon:

- Two new Tributes; the Themed Tribute and the Bespoke Tribute.
- A brand new Bundle option, making it more cost effective and easier for funeral arrangers to order multiple products.

Going forward, some products which are rarely ordered will be hidden from the Obitus ordering platform. We don't want to limit choice, so as always, we can offer these products on special request.

### What happens next?

Keep an eye on your inbox as we'll be sending out more detailed information about the latest Obitus product set over the next month. We'll give you access to a series of explainer videos and support documents to help you understand the changes and improvements.
